NEW ARRANGEMENT.

DAILY LINE OF STEAMBOATS:

TO
BROWNVILLE AND PITTSBURGH:
The Steamer R. H. LINDSEY has just
been purchased to run in connection
with the new Steamer THOS. P. RAY,
(now building) to form a

Daily Line,
During season of navigation, between
MORGANTOWN & BROWNVILLE,
Connecting at the latter point with the
double Daily Line to Pittsburgh. By this
arrangement facilities will be offered to
trade and travel, heretofore unknown in
the Monongahela Valley.

Freight will be received through,
each way, free of all charge for drayage
and commission at Brownsville. Shippers
however must bear in mind that to insure
this privilege they must order their goods
to the wharf-boat in Pittsburgh, of the old
established line, and get a through receipt.
Heavy Freight, during a high stage of
water, will be carried through for 25 cents
per 100 lbs.

The THOS. P. RAY will be ready to
take her place in the line in all of the
month of December.
If shippers have any complaint to make
as to the manner in which their business
is done, by notifying the proprietors every
reasonable satisfaction shall be given.

HORSES MADE SURE BY THE
Horse Owner's Secret,
Being a sure and certain remedy for the speedy
CURE OF HEAVES:
BY SIR JAMES LYNDONTON,
Principal Farrier to His Royal Highness Prince
Albert.

THE great discovery contained in this little
work procured Sir James Lyndont's
It prescribes a certain and positive cure for
Heaves which any person can prepare. The
remedy is better and cheaper than any ad-
vertised Heave Powder, and is perfectly safe
as any one can know who tries it. Horse owners
know that many a valuable horse loses half its
price by this prevalent disease. The remedy
prescribed in this work will cure him and in-
crease his market value, besides relieving the
poor beast of a horrible complaint, similar to
the Asthma in a man. The public can depend
on this work; it is no catchpenny humbug.
The articles prescribed by Sir James are all
cheap, and can be had at any store. To pre-
vent imposition the work will be sent in sealed
envelopes. English price, four shillings and 6
pence sterling. American price \$1 per copy.
Persons ordering Sir James' Works are expected
to confine his instructions to their own ani-
mals. It will be sent to none others.

AN AMERICAN HORSE DOCTOR APPROVES
THE ABOVE SYSTEM.—Read what he says.
APLETON, Ohio, July 21, 1851.
Mr. Lyndont, I have tried your secret for
the cure of Heaves, and approve it very much.
Yours truly, S. LAKE, Horse Doctor.
(Witness G. Long.)

To procure this valuable little work, address,
post-paid, John Dumbarton, English Horse
Doctor, American Agent for James Lyndont's
Horse Owner's Secret, New York Post Office.
The Secret is sent by mail at letter postage.

Office of the District Court for the Eastern District
of Pennsylvania.
Another Scientific Wonder!
DR. J. S. HOUGHTON'S
GREAT DYSPEPSIA CURE!

PEPSIN
THE TRUE
DIGESTIVE FLUID,
OR
GASTRIC JUICE

Prepared from RENNET, or the fourth STOM-
ACH OF THE OX, after directions of Baron
Liebig, the great Physiologist, Chemist, by
J. S. HOUGHTON, M. D., Philadelphia, Pa.

This is a truly wonderful remedy for Indiges-
tion, Dyspepsia, Jaundice, Liver Complaint,
Constipation and Debility, curing after Nature's
own method, by Nature's own agent, the
Gastric Juice.

Half a teaspoonful of Pepsin, infused in
water, will digest or dissolve Five Pounds of
Roast Beef in about 2 hours, out of the stomach.
PEPSIN is the chief element, or Great Digest-
ing Principle of the Gastric Juice—the Solvent
of the Food, the Purifying, Preserving & Stimu-
lating Agent of the Stomach and Intestines.
It is extracted from the Digestive Stomach
of the Ox, thus forming an Artificial Digestive Fluid
precisely like the natural Gastric Juice in its
Chemical powers, and furnishing a Complete and
Perfect Substitute for it. By the aid of this
preparation the pains and evils of Indigestion
and Dyspepsia are removed, just as they would
be by a healthy and normal stomach.

It is doing wonders
in Dyspepsia, curing cases of Debility, Emaci-
ation, Nervous Decline and Dyspeptic Consump-
tion, supposed to be on the verge of the grave.
The scientific evidence upon which it is based
is in the highest degree curious and remarkable.

Scientific Evidence.
Baron Liebig in his celebrated work on Animal
Chemistry says: "An Artificial Digestive
Fluid, analogous to the Gastric Juice, may be
readily prepared from the mucous membrane of
the stomach of the Ox, in which various articles
of food, as meat and eggs, will be softened,
changed and digested, just in the same manner
as they would be in the human stomach."

Dr. Combe, in his valuable writings on the
Physiology of Digestion, observes that "a dimi-
nution of the due quantity of the Gastric Juice
is a prominent and all-prevailing cause of Dys-
pepsia;" and he states that a distinguished pro-
fessor of medicine in London, who was severely
afflicted with this complaint, finding every
thing else to fail, had recourse to the Gastric
Juice obtained from the stomachs of living ani-
mals, which proved completely successful!

Professor Duglison, of the Jefferson College,
Philadelphia, in his great work on Human Phys-
iology, devotes more than fifty pages to an ex-
amination of this subject. His experiments with
Dr. Beaumont, on the Gastric Juice obtained
from the living human stomach and from ani-
mals, are well known. "In all cases," he says,
"digestion occurred as perfectly in the artificial
as in the natural digestions."

AS A DYSPEPSIA CURE,
Dr. Houghton's Pepsin produced the most
marvellous effects in curing cases of Debility,
Emaciation, Nervous Decline and Dyspeptic
Consumption. It is impossible to give the de-
tails of cases in the limits of this advertisement;
but authenticated certificates have been given
of more than two hundred remarkable cures,
in Philadelphia, New York and Boston alone.

These were nearly all desperate cases, and
the cures were not only rapid and wonderful,
but permanent.
It is a great Nervous Antidote, and particu-
larly useful for tendency to Bilious disorders,
Liver complaint, Fever and Ague, or badly treated
Fever and Ague, and the evil effects of Quinine,
malaria and other drugs upon the digestive or-
gans, after a long sickness; also for excess in
eating and the too free use of ardent spirits. It
almost miraculously health with interperence.

Old Stomach Complaints.
There is no form of Old Stomach Complaints
which it does not seem to reach and remove at
once. No matter how long it may be, it gives
instant relief! A single dose removes all its
symptoms, and it only needs to be
repeated for a short time to make these good
effects permanent. Purity of Blood and Vigor
of Body follow at once. It is particularly excel-
lent in cases of Nausea, Vomiting, cramps,
soreness of the pit and stomach, distress after
eating, low, cold state of the blood, heaviness,
loss of spirits, despondency, emaciation,
weakness, tendency to insanity, suicide, &c.
Dr. Houghton's Pepsin is prepared in Powder
and in Fluid form, and in Prescription vials for
the use of Physicians.

Private Circulars for the use of Physicians
may be obtained of Dr. Houghton and his agents
describing the whole process of preparation and
giving the authorities upon which the claims of
this remedy are based. As it is not a new effect,
no objection can be raised against its
use by Physicians in respectable standing and
regular practice. Price One Dollar per bottle.
Observe This!—Every bottle of the genuine
Pepsin bears the written signature of J. S.
HOUGHTON, M. D. sole proprietor, Philadelphia,
Pa. Copy right and trade mark secured.
Sold by all Druggists and dealers in medicines.
